### Performance Studies: The Interpretation of Aesthetic Texts ...

Performance studies is an interdisciplinary field that studies performance and uses performance as a lens to study the world. The term performance is broad, and can include artistic and aesthetic performances like concerts, theatrical events, and performance art; sporting events; social, political and religious events like rituals, ceremonies, proclamations and public decisions; certain kinds of language use; and those components of identity which require someone to do, rather than just be, ...

### Performance studies - Wikipedia

Located in the heart of New York City's vibrant art scene, Performance Studies at NYU is dedicated to the analysis and study of cultural enactments of all kinds, and to understanding how they can produce meaningful change. Combining an interdisciplinary range of approaches including feminist and queer theory, critical race theory, and other modes of analysis, with an equally diverse range of research methods, Performance Studies offers graduate and undergraduate students the opportunity to ...

### Performance Studies - Tisch School of the Arts

Performance is both process and product • Performance as something that happens, emerges, and grows in and through a process, a set of activities or specific behavior • Process decribed as emergent • In its processual unfolding, performance is also a product, an accomplishment, an event

### Performance Studies Flashcards | Quizlet

Unlike another academic field that might exclude certain questions from its range of purview, Performance Studies is a method of inquiry that posits an underlying dimension of 'performance' to all human behavior—from Native American pey- ote rituals to high-speed NASCAR races to getting dressed in the morning.
